

## BCA YPF / JA Achieve-A-Bowl – Wednesday, May 23, 2018

We are pleased to announce that the BCA Young Professionals Committee is partnering with Junior Achievement of Northern Indiana to raise funds for construction and skilled trades career exploration in our local schools.

Last year, Junior Achievement of Northern Indiana impacted more than 139,000 students in 27 counties in northern Indiana (55,000 in Allen county). In these 27 counties, there are 35,000+ estimated new construction job openings in 2018. Let's make sure to take advantage of the opportunity to share information about the construction trades by partnering with Junior Achievement. These students are our future!

On May 23 all BCA members are invited to participate in the BCA YPF / JA Achieve-A-Bowl. Here's how it works:
