The BCA Safety Committee invites you to meet with other industry professionals responsible for ensuring safe construction jobsites in Northeast Indiana. Help BCA build our **Local Safety Network** – a group of peers to call on when there's a safety-related issue one needs help with. Meet, network and learn from others who are dealing with many of the same challenges you are through BCA.

Learn about the variety of programs offered by the Safety Committee to help educate you, your field and supervisory personnel. Learn how to apply for a 2019 BCA Gibson Safety Excellence Awards to get recognition for your safety program. BCA is a member-driven organization, so please attend and help us rev the safety engines of BCA!
