Construction Industry
of Northeast Indiana

Fort Wayne Area Projects Recognized

Fort Wayne, IN – The Building Contractors Association of Northeast Indiana (BCA) recently recognized winners of the **2019 BCA Excellence in Construction Awards** sponsored by **Irving Materials, Inc. (IMI)**. The annual awards program recognizes outstanding construction projects completed within a 75-mile area surrounding Fort Wayne during the year prior. Winning projects are determined by an independent judging panel with projects scored on uniqueness, significance/impact to the community where constructed, level of BCA-member involvement, and safety efforts demonstrated during the project's completion.

Renovation – Under \$2 million:

Northeast Indiana Regional Partnership

Submitted by Design Collaborative

Renovation – Over \$2 million:

The Clyde Theatre

Submitted by MSKTD & Associates
and The Hagerman Group

New Construction – Under \$6 million:

Russel & Evelyn Fahl Aquatics Center

Submitted by Michael Kinder & Sons

New Construction – Over \$6 million:

Skyline Tower

Submitted by Design Collaborative
and Weigand Construction

Awards were formally presented to the applicant and the owner/client representative at the BCA Spring Membership Dinner & Awards Banquet. More than 275 construction and business professionals were in attendance. ([Click here](#) for high resolution photos.)
