

Building Contractors Association of Northeast Indiana

# 2023 SAFETY EXCELLENCE SUPERVISOR SAFETY AWARDS

*The Supervisor Safety Award has always been a highlight in BCA's annual Safety Excellence Awards program. Supervisors are too often the unsung heroes in a contractor's loss prevention program while maintaining production and quality goals. Thank you for helping BCA recognize them.*

## **Award Guidelines**

Members can nominate up to two of their supervisors who are outstanding in their commitment to jobsite safety. Submission of this award requires a \$60 entry fee to cover costs associated with the awards. The awards will be presented at the BCA Spring Membership Dinner & Awards Banquet on April 20, 2023. An award letter will be mailed to your nominee at your company's address (you will be copied), and banquet information will be included if you choose to reserve a seat for your supervisor to attend.

## **Award Criteria & Candidate Requirements**

- Candidate directly supervises the company's jobsite activity and personnel
- Candidate actively promotes and enforces the company safety policy
- Candidate serves as a role model in safety attitude and performance for others

Provide a short paragraph explaining why this person is being nominated:

## 2022 Supervisor Safety Award Winners

A \$60 entry fee is enclosed.  Invoice us for the \$60 entry fee.

We want to make reservations for the April 20, 2023, Spring Membership Dinner & Awards Banquet so our nominee can personally accept the award (*est. \$80 per person*). Please include banquet information in the award letter to our supervisor nominee and contact me to confirm the reservations.
