We Make OSHA Recordkeeping an Absolute Breeze!

Fill Out One Simple Form
After logging in with your Email and Password, you will simply need to fill out one easy to navigate form that will take 2 to 4 minutes to complete.

Create PDF Versions of All OSHA Records
View, download, and print all required OSHA injury and illness recordkeeping forms, including the OSHA Form 300, Form 300A and Form 301.

Populate Your State's Work Comp First Report
Create any State's Work Comp First Report by piggy-backing off the data from your OSHA log. Super-efficient, no dual entry required and error free.
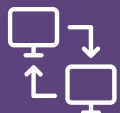

Automatically Generate Instant Injury Metrics
Automatically generate each log's incident rate, DART rate, loss-time case rate, severity rate, body parts affected, nature and source of injury reports.

Enhanced Support to Assist Your Team
Our OSHA recordkeeping advisors are instantly notified when you add an incident. Need help with return-to-work? Is a case recordable? We are here to help!

Comply with OSHA's New Electronic Submission Rules
OSHAlogs.com will help you to comply with OSHA's new Electronic Submission rules with a simple click of a button.
