About the Presenter: Jason Zimmerman, CHST

Jason is an experienced trainer, manager, and safety professional. He obtained his Bachelors of Arts in Education from the University of Findlay. He's had industry training in many areas of construction safety including Confined Space Entry, Trenching and Excavation, Rigging and Signaling, Health Hazards, Accident Investigation, NFPA 70E, and Safety Management. In 2015 he achieved certification through the Board of Certified Safety Professionals as a Construction Health and Safety Technician (CHST) and also achieved accreditation as an OSHA Outreach Instructor. Jason is employed as the Fort Wayne Regional Safety Manager for Shambaugh & Son. Starting his career in 2012, he has focused on occupational health and safety in the construction industry. Jason serves on the BCA Safety Committee.
