The holiday season is drawing near, and the Building Contractors Association of Northeast Indiana invites you to help spread good cheer and foster the spirit of this joyful time by becoming a sponsor of the 2023 BCA Christmas Gala. On Thursday, December 14, members and guests will gather at Parkview Mirro Center in Fort Wayne to celebrate the season and the business relationships that enabled them to succeed another year in the commercial construction industry of northeast Indiana.

Sponsorships are available for \$300, which provides several ways to express goodwill to the membership of the BCA. Sponsoring firms receive the following benefits:

- A personalized greeting, including your company’s name and logo, published in the Christmas Gala Program and given to each guest.
- It is further shared electronically in the association’s holiday card to more than 1,000 industry representatives and their organizations.
- Four cocktail drink tickets to use or share the evening of the Gala.
- Acknowledgement on BCA’s social media accounts.
